Appeal from the United States District Court for the
Northern District of Texas
USDC No. 3:02-CV-1152-M

Before DAVIS, ELROD, and HIGGINSON, Circuit Judges.

PER CURIAM:

On November 4, 2015, this Court issued an order granting the petition filed by Defendants-Appellants, Halliburton Company and David J. Lesar, for permission to appeal the district court's interlocutory order granting class certification in this matter under Federal Rule of Civil Procedure 23(f). The parties subsequently notified the Court that a settlement of the underlying securities class-action litigation had been reached. The parties also filed a motion, which this Court granted, requesting that this appeal be held in abeyance pending the district court's final approval of the settlement. The district court has now issued a final approval of the class action settlement. Accordingly, it is ORDERED that this appeal is DISMISSED AS MOOT.
